Sir,

Subject - Revision of scale pay of the Manager of the Municipal Farm
-O-

The present grade pay of the Manager of the Municipal Farm is Rs 55-5-100-10-150 and the present Manager who was drawn from Agricultural Inspectors in the year 1949, has now been drawing the maximum of R 150/- and has been transferred back to the department The director of Agriculture intimated that the Senior most agriculture Inspectors (Licentiates) are being promoted to the Ist grade (100-8-140-10-200) in the ratio of 2 1 in the promotional vacancies (i.e. two graduates and One licentiates) as per Government Order No FD 4914-16 Ag 150-50-4 dated 22-8-1951 It was therefore thought that the present Farm Manager as also the senior agricultural Inspector who might be posted to the Municipality, would be in the run for higher grade and unless due provision is made for the adoption of the higher scale, it would be resulting in great inconvenience to the incumbents, when they get the grade In fact One Sri Padmanabha Setty who has been posted in lieu of the present Farm Manager is already in the higher grade

The Council have therefore approved of the proposal to revise the grade from 55-5-100-10-150 to 100-8-140-10-200 at their meeting held on 6-2-1956

enclose a copy of the resolution and request that orders of
